5 Bedroom, 5.00 Bathroom, 3,335 sqft  
Residential on 0.10 Acres

Currie Barracks, Calgary, Alberta

A bright and spacious modern farmhouse home with a legal 2-bedroom carriage house over the 4-car garage and a fully finished basement with its own large kitchen and private access. The main house has 10-ft ceilings and 8-ft doors on all three levels. All three kitchens have high-end cabinetry with dovetailed drawers and quartz counters (as well as in all bathrooms and the laundry room). The main floor also features a beautiful dining room, an office near the front entryway (with a closet, so it could be a main floor bedroom if needed), and a full bathroom with an oversized shower on the main floor. Upstairs are two large bedrooms, each with its own ensuite. The primary ensuite features a unique dormer window, a deep stand-alone soaker tub below, a huge oversized tiled shower with built-in stone shower seat, and two sinks. Primary WIC is connected to the upper laundry, with ample cabinetry, a huge sink, and plenty of space for hanging clothes, plus a built-in ironing board. The 2nd bedroom ensuite is architecturally beautiful with its super-tall ceiling and dormer window. The super-bright basement with huge windows could be used as an (illegal) suite, with its own private entry and separate laundry, or for an older child or in-laws wanting their own space. The carriage house has spectacular tall ceilings soaring over 20 feet with dormer windows on two sides. It is a stunning open-concept design with a modern kitchen, large island, and an open great room with a

corner gas fireplace. Two bedrooms, with laundry built-in to the primary WIC and connected to the ensuite. This home truly must be seen to appreciate the extra finishing details throughout, including all custom-tiled showers, three bar fridges, four fireplaces, multiple finished storage areas, and over 700 gemstone lights around the exterior, which is practically maintenance-free. Hardie-board exterior, deep concrete and parged window wells, Trex deck (with outdoor butane fireplace and roughed-in for a hot tub, and Xeriscape landscaping including five 20-ft Swedish Aspens, seven synthetic 8-ft cedars, and seven synthetic bushes of various sizes and shapes, plus much more! The garage is divided into one double and two singles, and theyâ€™re all heated. These can be set up so the carriage house has its own private access to its own single-car garage, for example. Currie Barracks is a unique inner-city community offering low-maintenance living while being surrounded by excellent schools, including MRU, as well as a nearby dog park, skating rink, childrenâ€™s play area, and excellent dining choices within the community. This is a unique opportunity to own a stunning, beautiful home with a multitude of options for renting or for extended family.
